

Student's Guide to eTutoring

Free On-Line tutoring for all Aultman Students!!

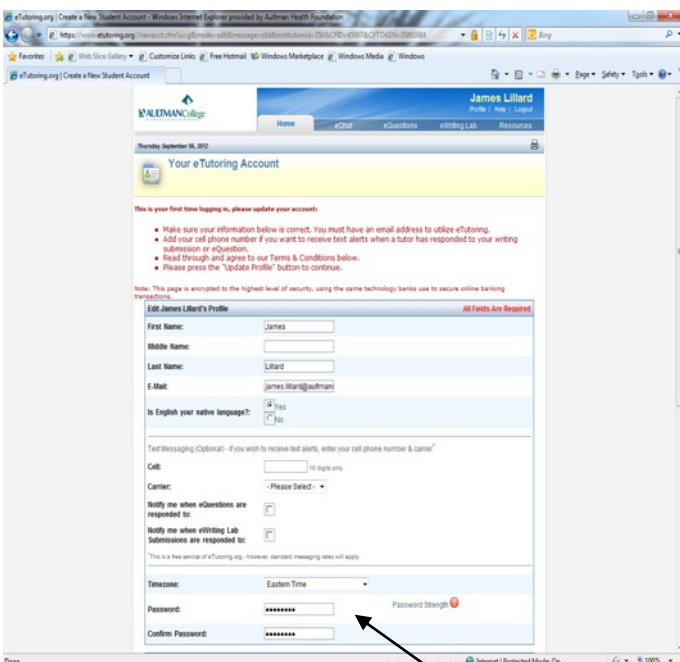

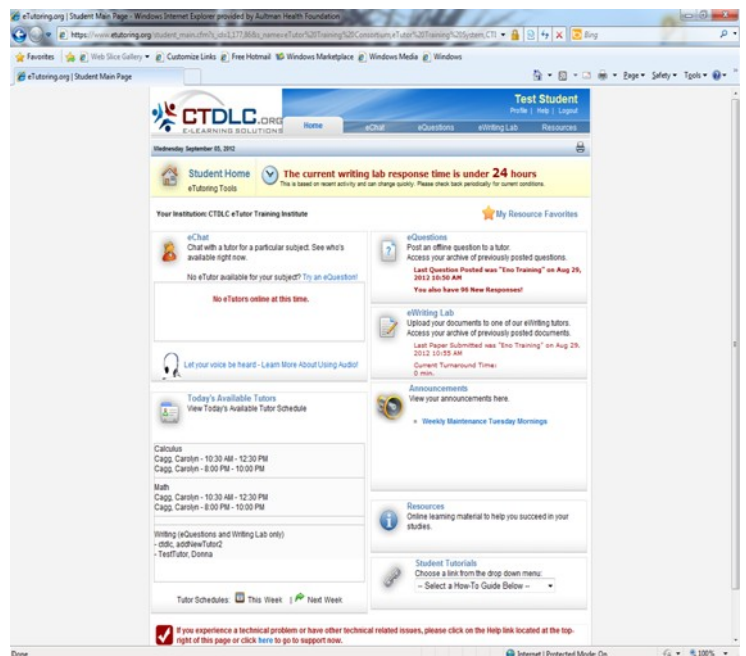

- Start by going to the Student Portal
- Click on the eTutoring link
- On the eTutoring page you will see the Welcome Announcement that provides log in instructions

- Click the box agreeing to the Terms & Conditions
- Click on "Update Profile"
- This will take you to the Student Home screen. This is the screen you will normally see each time you log in.

Enter your **Username**. This is your 5 digit STUDENT ID
The first time you use the system, your **password** is
Password (Case sensitive)

- Click the **Sign In** button, you will be directed to the profile update screen.

****You will only need to do this profile update the first time you log in. ****
Your first name, last name and e-mail will be populated

- Enter and confirm your Student ID number
 - Create and confirm a new password
 - Make sure you build a password you can remember!**
- Scroll down and read the Terms & Conditions.

From the Student Home screen you can access the following eTutoring Tools:

- ◆ eChat – Chat with a tutor for a specific subject
- ◆ eQuestion – Post an offline question to a tutor
- ◆ Today's Available Tutors
- ◆ Tutor Schedules
- ◆ eWriting Lab
- ◆ Announcements
- ◆ Resources
